

# Art Competition!

## Glenveagh Is Your National Park

How would you like to see this special place develop for the future?

How can we protect our biodiversity & look after our growing number of visitors?

What design ideas could you come up with ? Energy, Water, Waste, Transport, Tourism and Nature....Could you help us think about all these things and create a better future for our National Park?

**What would you plan for the Park if you were in charge? How would you care for nature and tourism? What can be done to protect this site for future generations?**

Entries can be in A4 or A3 Size and cover your ideas for the whole Park or just a section of it.

**Range of categories and age levels - Primary, Post Primary, Special Biodiversity Theme and 3D Model Challenge.**

**Check out our website for more information and to download an entry form.**

**[www.glenveaghnationalpark.ie](http://www.glenveaghnationalpark.ie)**

**Closing Date is 15th October 2019. All entries will be on display at the Visitor Centre throughout the season. Prizes include fantastic art supplies for you and your school, exclusive Afternoon Tea experience at the Castle and the chance to have your designs and art work used in future National Park publications.**
